- Terms:** • Seasonal - Full Time 40+ Hrs/ week
April 15th – November 15th – We are open to flexing/ adjusting the seasonal timeframe if required. Can work with a current schedule.
- Hours:** • 6:30AM – 2:30PM minimum, hours may vary depending on schedule and employee availability.
- Salary/rate:** • \$18.50 and up, dependant on experience and current qualifications
- Requirements:** • Valid Drivers License, clean driving record, able to pass a DOT physical, attention to detail, willingness to learn and desire to advance.
- About us:** • We are a Dumpster Rental Business located in Plymouth, VT. We service all of Vermont state. ABLE Waste also has Fast-Trash Programs 2x a week in two towns; Bridgewater and Hartland, VT.
- About the Role:** • Our Hook Lift Drivers are the face of ABLE Waste. Our Level 1 drivers are expected to drive our F-600's responsibly, maintain the vehicles they drive, communicate any issues to the owners and office manager, maintain a weekly vehicle log and to utilize our dumpster software on a company provided iPad. We will train our candidates how to operate our vehicles, work with our dumpster software and will have on the job training opportunities. Seasonal employees will be utilized during our busy season, which is on average April to November, and we are open to a flexible schedule. The schedule will need to be discussed prior to hiring to ensure it works for ABLE Waste as well as the new hire.
- Responsibilities:** • Deliver, replace and or pickup dumpsters to customers throughout the State of Vermont
• Utilize provided work iPad to use our Dumpster Software
• Maintain their vehicles and a weekly vehicle log
• Communicate any issues to the Office Manager and the Owner
- Candidate requirements:** • Valid Driver's License
• Responsible driver with a clean driving record
• Able to pass a DOT physical,
• Maintain vehicle and a weekly vehicle log
 - Keep vehicle clean, greased, and take note of any issues
- Communicate any issues with the trucks or equipment, including dumpsters to Office Manager and Owner
- Be open and willing to learn any technological advances surrounding delivery and driving, as we are utilizing a dumpster software program to maintain our drivers' daily schedules and allow for better integration and communication between the office and our drivers
- Open to advance in the roll and take on added responsibilities; CDL Opportunities.
